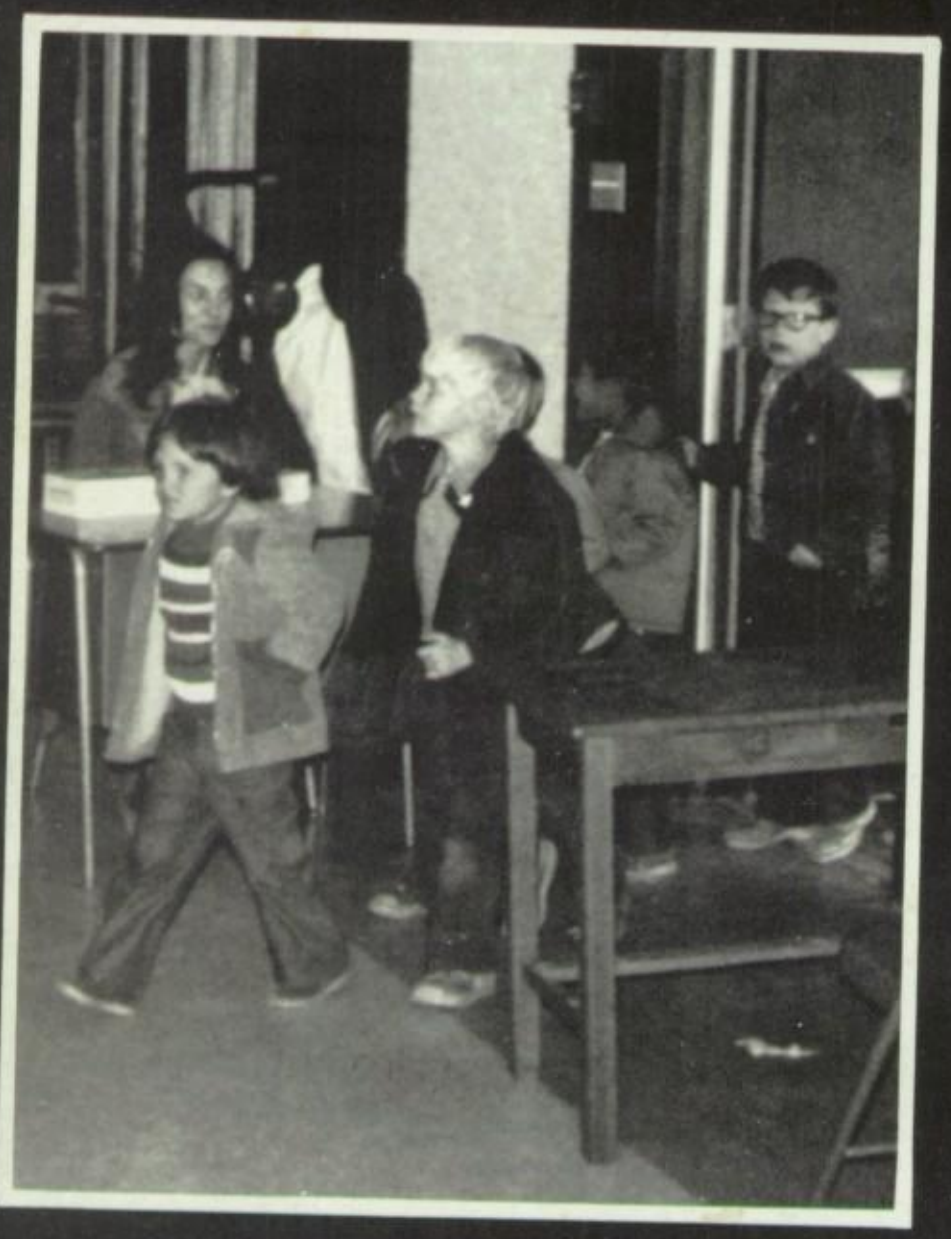
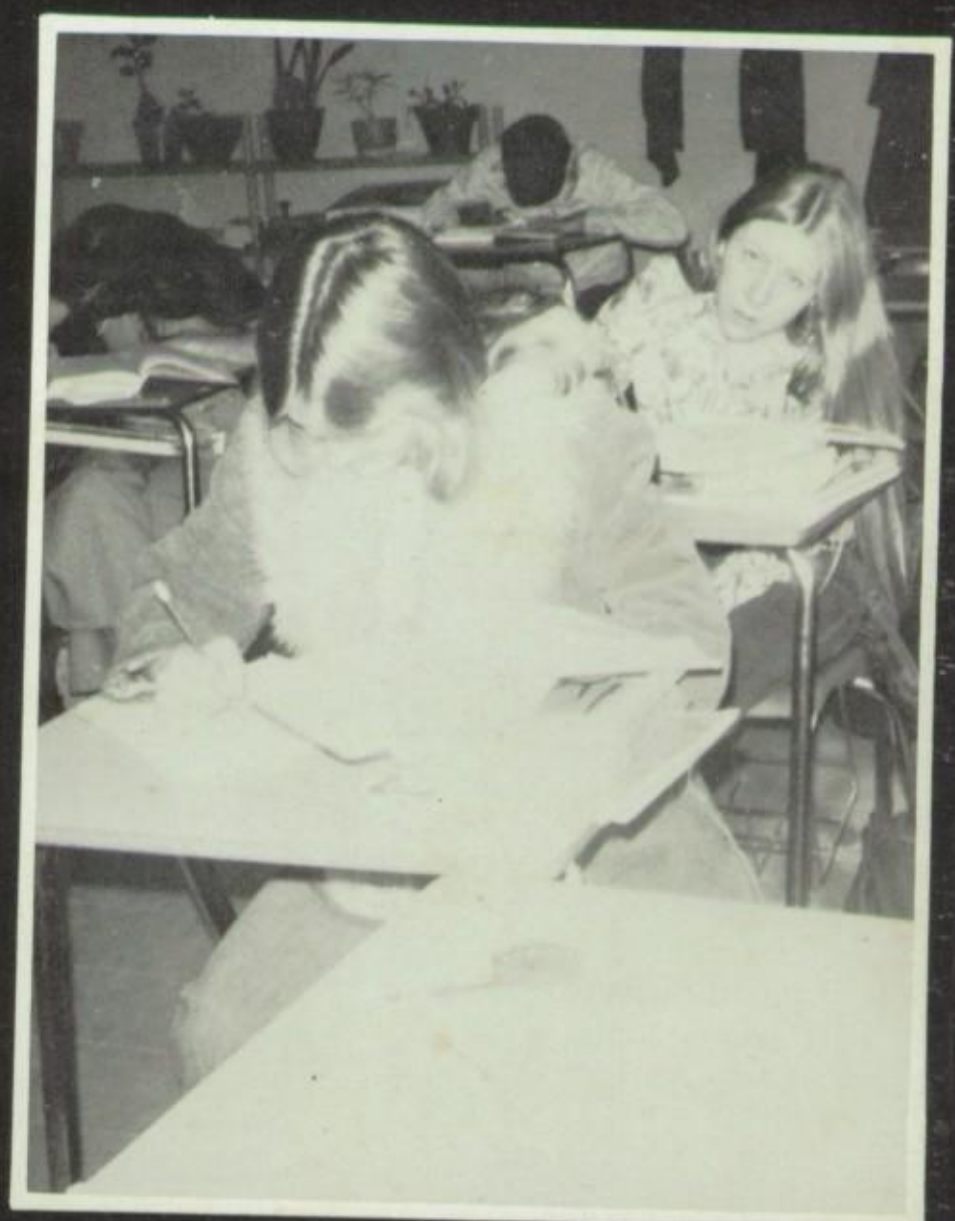
Youth





Like springtime flowers, our youthful
life will fade away . . .

makes life worthwhile.

CREED

I believe in myself. I believe in those who believe in me. I believe in my teachers. I believe in my friends. I believe in my family. I believe that God will lend me everything I need to succeed if I do my best to earn it through faithful and honest service. I believe in prayer and I will never close my eyes to sleep without praying for guidance to the end that I will be patient with other people and tolerant with those who do not believe as I do.

I believe that success is the result of intelligent effort and does not depend upon luck or sharp practices, or double-crossing friends, fellowmen, or my employer. I believe I will get out of life exactly what I put into it; therefore, I will be careful to conduct myself toward others as I would want them to act toward me. I will not slander those whom I do not like. I will not slight my work no matter what I may see othersdoing. I will render the best service of which I am capable because I have pledged myself to succeed in life and I know that success is always the result of conscientious and efficient effort. Finally, I will forgive those who offend me because I realize that I shall sometimes offend others and I will need their forgiveness.

Leo Amos

Mr. Leo Amos

A native of Winnfield, La. and a graduate of both Winn Parish Training School and Grambling, he is a favorite among his colleagues and students. This dedicated teacher has taught for three years in Winn Parrish before coming to help better the students of Negreet High, where he is in his eighth year of teaching.

He is married to Ella Braden and is the father of three boys and four girls.

He has continually and without hesitation given his time and talent in teaching math to the elementary students. This teacher is famous for the phrase, "Breakfast Everyone."

We the staff of the 1977 Indian are proud to dedicate our yearbook to:

Mr. Leo Amos

Miss N.H.S.

Miss Tami Walker has been selected as Miss N.H.S. by receiving the high school majority vote. She is a member of the 1977 graduating class.

Tami is not only an honor student but also has been very active in school activities. As a freshman, Tami served as homecoming maid, and class secretary. She was active as a cheerleader during her sophomore year and served as class president during both her sophomore and junior year. Also as a junior she was selected class favorite and Most Beautiful.

Tami currently holds several offices, including secretary of the senior class, president of the F.F.A., and 4-H Club vice-president. Tami was also selected as Homecoming Queen for 1977 and runner-up to Most Likely to Succeed. Tami has been on the yearbook staff for 4 years and is currently serving as editor.

Mr. N.H.S.

Mr. Curtis Melancon, a Jr. graduating with the Srs. was chosen by a high school majority for Mr. N.H.S.

Curtis has been a member of the Basketball team for 2 years and also served on the Parliamentary Procedure team. He is now serving as F.F.A. secretary and Jr. representative in Student Government. Curtis served as Vice-President in his Soph. year.

I didn't mean to love you and I never meant to care. And I guess I never noticed just how often you were there. Walking and talking till the sun went down. You kept me warm with just your eyes. Seems that all we wanted just came naturally, we never even had to try.

I didn't mean to love you. Didn't wanta let it show. No, I never meant to tell you. I'm just too proud to let you know. Bring back the days when we could talk away our troubles. Don't tell me things have changed so much.

Please take the time, it's not so hard to do - unless there's something left to say; I guess there's nothing left to say
I didn't mean to love you, but I guess I always will.
Guess you'll always be inside me kind o' warm and soft and still.
No, I didn't mean to love you, and I didn't wanta cry
I never meant to love you, I never meant goodbye.

Our Homecoming was an exciting event this year. We had a pep rally by our cheerleaders, and a bon fire sponsored by the Student Government. Our Homecoming Court rode in the Many parade. Each class selected their choice to represent their class.
